O R D E R

This matter is before the Commission upon the Motion of the Meniffee County Board of Education ("Meniffee County"), filed November 18, 2011, for an extension of 14 days to file its response to Commission Staff's Second Request for Information. In support of its motion, Meniffee County states that, due to the upcoming Thanksgiving holidays, there is not adequate time to respond to the request. Meniffee County requests that its response be due no later than 28 days from the issuance of the Commission's request dated November 9, 2011.

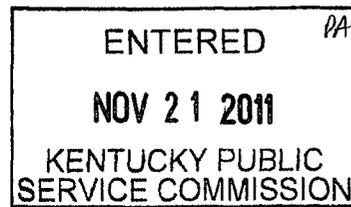

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Meniffee County has established good cause to allow it an extension of time to file its responses to Commission Staff's Second Request for Information.

IT IS THEREFORE ORDERED that:

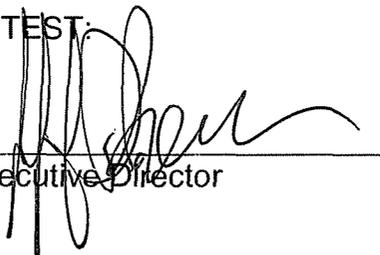

1. Menifee County's motion for an extension of time to file its responses to Commission Staff's Second Request for Information is granted.

2. Menifee County shall file its responses to Commission Staff's Second Request for Information no later than December 7, 2011.

By the Commission
